KENGURU
P R O F E S S I O N A L

In 2011, KENGURU PRO
Company started to work
on infrastructure
development for a new
large scale sports trend
called STREET WORKOUT.

We offer to your attention **KENGURU PRO INDOOR** – state-of-the-art production of indoor workout equipment. Functional, technologically advanced and aesthetically appealing equipment for your health and success.

KENGURU PRO INDOOR equipment has been designed with the aid of professional athletes and experts from fitness industry, taking into account international experience, safety criteria and using the latest technologies.

KENGURU PRO INDOOR – It is SIMPLE

The easy installation of equipment allows quickly setting up new sports facilities and making sport more accessible with each passing day.

KENGURU PRO INDOOR usage

Every gym, educational and sports institution, office, manufacturing company or suburban house can be equipped with KENGURU PRO INDOOR sports facilities.

The most important partner of **World Street Workout and Calisthenics Federation**, in organizing street workout and calisthenics competitions, as well as social projects, has been company **KENGURU PRO** ever since 2012. The equipment provided by **KENGURU PRO** is used as the official equipment of the **Street Workout World Championship** and **Street Workout World Cup**. Due to its mobility and high quality, only **KENGURU PRO INDOOR** equipment is utilized for competitions and in the pre-competition practising period of the best athletes. If this equipment suits the needs of world class athletes, then it definitely will be highly praised by the clients of your gym / institution.
